

July 21, 1987

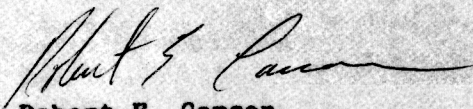

Mr. Willard Wright
1330 N. Douglas
Springfield, MO 65802

Dear Mr. Wright:

On July 20, 1987, this office received a citizen's complaint concerning the dumping of what appears to be waste oil in the alley way behind your residence at 1330 N. Douglas. This office has no knowledge of who might be responsible. However, let me advise you that if this spillage is due to any activities on your part, this constitutes violations of City, State and Federal laws. These laws contain severe penalties for the discharge of oil or petroleum products into a natural water course. This office maintains periodic surveillance throughout the corporate limits of the city, and will watch this area closely. If the spillage described above is not due to any activity on your part, you can help significantly by reporting any such activities immediately to this office.

If we can be of any help or can answer any questions, please do not hesitate to call us at 864-1924.

Yours truly,

Robert E. Corson
Water Pollution Control Inspector III
Surveillance & Enforcement
